Address:

**Rich Road, East Oly, Tumwater**

Price:

**150.00 \$**

This is a large heavy duty dining room table and six chairs (two captain). All the pieces are in good shape with just normal wear and tear. The legs easily come unbolted from the table top, which is in two pieces (for easy transport). This is not a cheap piece of furniture, it just doesn't fit into the decor of our new home.

The table and chairs are a honey oak and have purposeful distressing. If you have kids, this table will stand up to them! :)
