Gamo brand, Big Cat 1250 velocity, 4.5 Cal. Air rifle/Pellet Gun. Practically brand new, only 6 months old, I've maybe used it 5 or 6 times. This is an adult pellet gun, if you buy this for a child, make sure they are responsible with it, this gun could really hurt someone. I have killed a few squirrels with it myself while hunting. I paid \$237 for it 6 months ago, and I am only asking \$150 ir best offer. There is nothing wrong with it, I just need some cash to buy some tires for my truck. Really need to sell quick. If your interested please call me @ (205)-574-9174. I am located near Butler, Alabama in the small town if Lisman.
