Address:

Clinton, Flemington

Price:

7.00 \$

Katherine Hepburn and Spencer Tracy are loved the world over. This collection includes Woman of the Year (1942), Adam's Rib (1949), Pat and Mike (1952) and The Spencer Tracey Legacy: A Tribute by Katharine Hepburn. Previously viewed discs are in excellent condition. Slipcase has small tear and shows minor shelf wear (see photo). Great gift for film lovers.
