Building? Use the best. I have 150' of 4' GREENBLOCK styrofoam foundation forms. (www.greenblock.com). These are the 8" fill styrofoam forms, giving your an R-22 finished product. They cost almost \$15,000.00. I want to sell the whole pile for only 5 grand. In coffman cove. I can help with shipping, or buy my 20' gooseneck trailer for only \$2500.00.
