Duxiana 12:12+ king size in excellent condition. Rare find!

"The DUX 12:12+ offers classic DUX support with deeper springs for added contouring in addition to the customizable Pascal Personal Comfort Zones. This combination offers you the comfort and support that you've come to expect from a DUX bed."

Comes with paperwork and wood legs (bed skirting headboard NOT included).

Bed was purchased in 2009 at Due Manhattan.

Used for about 3 years (never without cover and bedskirt) and stored afterwards. No rips, odors, stains, etc... OCD clean household. Non smoking and no pets allowed on bed. It has been seating in our MIL apartment/guest bedroom for the last 4 years.

Selling only due moving and lack of space.

Price is firm. Cash. Buyer responsible for pick up and transport. This is a massive bed that lasts for generations so you will need help transporting it.

If buyer is particular about having a new latex top (The only thing you might change in a Dux through the years is the top) we have a NEW King natural latex top from "Bedrooms and More" in Seattle for sale too that we paid around \$800.. We can let that one go for \$400.

Available for purchase only until October 30th.
