Address:

**85 Cedar Creek Rd, Plains**

Price:

**Free**

Four Male foraging ducks....if you had trouble with slugs in your garden like we did this year these guys are for you..

they are Ancona and Metzger's Golden 300 cross...

both breeds are bred for their calmness and foraging...they also are great egg layers but I guess that doesn't apply to these guys. Unless of course you would want to breed them...anyway they need a home..
