Address: **Takoma Park**
Price: **350.00 \$**

We are having our kitchen renovated and are upgrading to new appliances. Both the dishwasher and range are in good working order. Just some slight wear from 3 years of use.

The range is a Whirlpool 30-inch freestanding electric with glass cooktop. All heating elements work well. The bottom drawer may need a new runner as it sometimes falls off track. Here is a link to the owner's manual with dimensions:

The Dishwasher is a Whirlpool Quiet Partner 2. It features normal, light, rinse only and pots and pans cycles with options for Hi-temp wash, sanitizing rinse, heated drying and delayed start. Standard dishwasher size of 24w x 36H.

Will sell as a set for \$350 or individually \$250 for the range and \$150 for the dishwasher.
