Address:

Syracuse

Price:

650.00 \$

Like new farmhouse table measures 64x42. Seats up to 6 comfortably. Had this table made by Fineline Cabinetry out of Goshen. This table is very heavy and made to last a lifetime. Chairs were bought from Kountry Cabinets in Nappanee. They too are solid wood that have been painted. I recently moved, and needed a larger table, so must sell this one.
