My parents purchased the niche when they lived in New Jersey. They moved to Florida and my mother recently passed so my step-father buried her in Florida to have her near. We spoke to the cemetery and the current value is \$3,060.00. We are asking \$2,450.00. The niche is located in the main building indoors. It is a NICHE FOR 2, LOWER LEVEL 1C, ROW 13, LEVEL E. Please visit the cemetery website at holmdelcemetery.com for photos. I have tried to attach the following photos. The mausoleum is located on Holmdel Rd. Holmdel, NJ 07733 Please contact me at cdkat@ymail.com.
