Newton

Price:

50.00 \$

Rocker panel and can corner covers for 1999-2007 Chevy and GMC ext cab pickups. I believe they will fit crew cab and suburban also. Designed to cover up the unsightly rust that is so common on these vehicles without spending a fortune to fix. I accidentally ordered 2 sets when I ordered a set for my pickup. 1 set of each for \$50. Would be almost \$90 to order from eBay.
