Price:

300.00 \$

I currently have 2 SHARK vacuum cleaner. This item is BRAND NEW still in box. Powerful cordless cleaning, also is very compact and lightweight. Store price for this vacume is 390 plus tax I am asking 300 OBO and drop off if local . This Will make a great Christmas gift to upgrade an old vacuums cleaner. Also If both vacuums are bought we can work out a cheaper deal for the two.
