Address: **Bayville**  
Price: **125.00 \$**

An outdoor heated walkway mat is exactly what you need to start enjoying your snow days again.

The mat plugs into any standard 120V outlet generating heat to melt snow at a rate of 2" per hour.

The water from the melted snow evaporates right off the mat.

Wake up to find your walkways clear of snow and ice without any effort on your part.

No installation required, just lay them down and plug them in and these mats are designed to be left out all winter.

This walkway mat is designed to either stand alone or connect with other heated walkway or stair mats using its own watertight connectors.

- Size: 20" x 60" | Amps: 2.5
- Melt Rate: 2" (5 cm) per hour
- Warranty: 1 year manufacturer warranty
