I have a collection of Brinn and Russ porcelain clowns for sale. They vary in size from 8 in to 19 in. There are 2 heads on doll stands. And there are a couple of ornaments. I'm asking \$10 for the larger dolls each and \$5 for the smaller dolls each. The doll heads are \$5 each with the stand included. The ornaments would be 2 for \$5. \$5 for the brass clown head There are also eight doll stands I would sell for \$10 for the bunch. Pick up in Culver or add \$\$ for shipping.
