Address:

50 Atkins Pl Cir, Angier, Fuqu

Price:

75.00 \$

As the title says: We have an XBox 360 S Kinect console in its original box, including two(2) controllers. We purchased this new for the grandchildren and it has been used very little as they visit infrequently. Complete with cords, etc. No games. Nice Christmas gift and a very reasonable price for a good used unit with very little use.
