Price:

100.00 \$

Extremely versatile cherry wood bar buffet table. Has pull out sides for eating or extra counter space. Hardware includes wheels if you want for easy moving. Both sides look exactly the same. Includes 3 drawers on each side that do not extend to the other side. The doors in the middle open on both sides to reveal a cabinet that can be accessed from either side and has one adjustable shelf.

Measurements:

Just over 43.5" wide

28" deep

33" tall

Has a chip that has been repaired on the bottom front panel and a few nicks. All are on one side that we used regularly and have been touched up so are not too noticeable at all. The other side is near perfect condition. Super heavy duty well made piece!
