4 Metal and Wicker Dining Room chairs. The wicker and metal are showing wear, as pictured, but they went well in my rustic dining room that way!

Purchased at Pier 1 Imports

Only \$40 for all 4 chairs.

Also have 6 cushions for sale. The 4 red ones were purchased only about a year ago at Pier 1 for \$20 each. If you would like them in addition to the chairs it would be an additional \$20 for the 4 red ones and the other 2 gold ones I have. \$60 total for 4 chairs and 6 cushions.
