Address:

Shelbyville

Price:

1100.00 \$

For sale is a recently purchased Sony Alpha 6500 camera with box and manuals along with a Sony 16-50 mm lens. This mirrorless camera is practically brand new, bought for a college course off Amazon and used a hand full of times before realizing its not what I really need right now. No scratches or other blemishes. It comes with 3 batteries in total (1 Sony and 2 Vivitar), a microphone, attachable light (missing back battery compartment cover) with light battery wall plug charger, Vivitar grip with double extra battery compartment, wrist strap, Vivitar camera bag, new high speed digital reader/writer, 6 SD card case, lens dust blower, and lens spray cleaners. The only thing not included is a camera charger which is an android phone/ other electronic charger than can be found just about anywhere. No trades. Thanks for looking!
