This unit works perfectly. I'm only selling because I am upgrading. This unit is 4 years old. I clean it regularly. Great Surround Sound system. Fantastic clean sound through all speakers. Plenty of power.

With discrete circuit technology, the power amplifier provides identical quality for all 5-channels (120 Watts x 5-channels).

Supports Internet Radio, music, and photograph streaming

Supports AirPlay. Pandora, Serious XM, Spotify, internet radio, etc.

HDMI connections enable quick connection to various digital AV devices (6 inputs, 1 output)

Direct play for iPod and iPhone via USB

Multi-Room audio

One of the features I really like is Audyssey. This allows your stereo to create the perfect sound balance in your room.
