Address:

185 Clearmeadow Dr, East Meadow

Price:

850.00 \$

This Tread Climber is in excellent condition. This is a great way to get your cardio in for your health goals! The dual treadles are designed to reduce hard impact on your joints and muscles. The LCD display and electronics track your speed, distance, steps, time, calories, climb and heart rate. You can choose a flat tread or change to dual/climb at the flip of a switch. A great machine to have in your home.
