Don't miss the opportunity to own this energy efficient model home—a beautiful ranch that belongs to a unique community just walking distance from Lake Erie and a private beach park. It is in a low maintenance community where all summer mowing and winter plowing are done for you. Enjoy the beautiful lake sunset skies right from your deck or the park on the lake. This home's grand foyer greets you with an abundance of natural light with a guest bedroom, bath, and study with French doors to one side. The end of the hall opens to a cathedral ceiling great room and massive kitchen with granite countertops, tiled back splash and stainless appliances. Off this dream kitchen is a built-in hutch and charming morning room that leads out to the composite wood deck and a generous, fully landscaped yard. The private, first floor master ensuite includes a 4 foot extension and walk-in closet. The master bathroom has a granite countertop on the double sink vanity, tile floor and a luxury Roman shower with two shower heads. A first floor laundry is included. The lower level has a spacious finished basement that includes a full bath, laundry tub, and workspace and storage room. The model was outfitted with thousands of dollars of upgraded extras such as window treatments, a sound and security system, upgraded trim and paint package, heated and air conditioned garage (with service door), and a list too numerous to detail.

Remainder of warranties are included. Call today to appointment view this beautiful Realtor's Home! Also see our YouTube pictures
