Address: Cedar Park  
Price: 120.00 \$

Recently had kitchen renovated and have the following pieces of silestone counter-top available.

Color is a brown - beige

More pictures available upon request

44" X 27" \$45.00

55"X 32" \$75.00

Have bull-nosed edges.

Will include several smaller pieces for splash guards etc.

Want it out of my garage!!

Silestone is a combination of natural quartz and other raw materials that are extraordinarily hard and resilient. These characteristics combine to create an ideal surface for kitchen counter-tops, bathrooms, flooring and wall siding.

Silestone is a non-porous surface and highly resistant to staining caused by coffee, lemon juice, oil, vinegar, and many other household items.
