Address:

Olathe

Price:

850.00 \$

I have a registered used Jugs Baseball/Softball Pitching Machine for sale, with owners manual. The machine is in great condition, complete with a new wheel and friction pad installed last season. I have both 11 & 9 inch collars, several used soft flight 11 inch practice balls, also a DC inverter, which works great with a large marine battery for hours of use, if AC power is an issue. Price negotiable...

Please, call or text me if your interested.
