This is in GREAT condition. ALWAYS stored inside & cleaned after every use. Comes with 3 sets of blades, 2 reg., 1 mulching. Bagger with a new lid & a trickle charger. Seat has some minor wear. Call to see it. I am outside a lot so don't check the computer. Don't know how to PM anyone either! I answer my phone-if I don't leave a message & I will call back. This mower is just outside of Mead. 402-690-2504
