In the early 1960s, these were gasoline/service station/oil jobber giveaways advertising local gasoline/oil brands and service locations.

Some even had small calendars attached to their bases. I seek and collect brands such as TOPCO (Topeka); BARNSDALL "B" SQUARE;

DERBY; HUSKY ; GAS FOR LESS and other local/regional brands. (NO Texaco or Phillips 66...these are most common.) Will pay well for your find and picker/dealer help is appreciated. pcapell@cometlink.com.
