Price:

**599.00 \$**

I have a black 64 Gb Samsung Galaxy Note 8 smart phone in new condition. This phone has been well cared for and kept in a case since the very first day I bought it. I am selling it because I recently bought an iPhone 8 Plus to sync with my Apple laptop. The sale of this phone includes:

- \* 1 Black Samsung Galaxy Note 8 smart phone
- \* 1 Leather Wallet Case
- \* 1 Clear Case
- \* 1 Power Cord and Power Brick
- \* 1 Samsung Stylus (OEM)
- \* Good IMEI (transferable)

The first person with \$599 cash in hand gets it! If you still see this ad, then the phone is still available. Call or text if you have any questions.

Thanks!
