14 K Gold 2 strand clasp. 8-8 1/2 mm pearl sizes. Double Strand Pearls. High Luster. From late 1940's , in mint condition well preserved. Vintage. Would make a Bride stunning. And also very beautiful. This is a real fresh water pearl necklace ,not man made. A piece of history makes it special. Love from a veteran to his waiting love back home. Was specially made late 40's. Appraisal was so amazed of how well the luster was preserved and has been re knotted a unusual piece, it's stunning. Hate to let it go but im sure it would make a bride amazing and stunning or a special love one happy.
