Price:

10000.00 \$

An absolutely beautiful camper in mint condition.

We bought our camper brand new but unfortunately, we could only use it 6 times; we never anticipated our teenagers their friends and our grandchildren would be camping with us. We realized very quickly that we had no room for everyone. We are now in the market for a new (larger) camper

This camper is fully loaded with full Kitchen with range, fan vent, sink, refrigerator w/freezer, microwave; full bath with shower and skylight, pop out queen bed, full bed, full dining for 5, surround stereo, HD satellite tv antenna, co2 detector, heat with thermostat, a/c, full electric hookup with grey and black tanks with sensor, dining skylight, attached manual rain and sun canopy, stabilizers, storage compartment, patio light.

You will love this camper
