Selling one Bookcase Twin Bed, solid cherry wood with rich brown cherry finish. Made by Lexington Furniture, the Bob Timberlake Collection, this is a very high quality piece of furniture. The headboard is made with a built in shelf and one side of the shelf has a lift open top that reveals a storage section. Footboard has arched shape with flat "spindles" and there are wooden side rails. Mattress height is adjustable. Excellent condition, no dings or scratches. From a clean, non smoking, pet free home. See photos and message with interest/questions. The mattress and box spring can be included if you want them at no additional cost. Note: one photo is from the Lexington Furniture brochure, and shows a pull out trundle, which I do not have. Selling for \$400.00 cash only, not interested in trades. Bedding shown in photos is not included, but willing to sell as well, but not included in the price of \$400. \$400 is for the wooden bed which includes the headboard, footboard, side rails, and wood slats that hold the mattress. The mattress can go with the bed if you want it. Pickup location is Franklin, TN. You will need a vehicle that will hold it, and help to load it.

Measurements:

Headboard - 44" Width x 20" Depth x 45-3/4" Height

Footboard - 42-1/2" Width x 26-1/2" Height

Overall - 97-3/4" long (longer than a standard twin mattress) because
