What's up guys. I have a NEED. I need someone in SD area to pick up a 1/6 scale Anakin Skywalker Darkside figure at comic con as it is pick up only. No delivery. Any idea how we could do this? I dont want to preorder it and have you not able to pick it up or steal it from me. So what we could do is you preorder it, post a listing on Ebay. I preorder your Ebay post. And you go pick it up and ship it out.

This was my only idea. As I dont know anyone in the SD area or even Cali for that matter. Please pm me for my ebay and send me a link when you post it. Really want this figure!

Here is the link to Sideshow collectibles' Anakin figure to prove it is PICKUP only at Booth 1929.
