Address:By Fort Zumalt South High School, St. PetersPrice:60.00 \$

These stands held entertainment equipment at one time. Used as a set. On one of the units, the particle board has come off, but easily replaceable. Center is wide and open for speakers to set in. Cabinet at top and bottom. Glass in the door is not cracked. Minus the particle board, minimal wear and tear. In very good condition. See pictures for details and appearance. One picture makes it look like cracks/scratches on glass but that's just a reflection. Dimensions are 66.5H, 28W, 22D. \$60 obo for both
