Address: **910 Hidden Oak Place, Concord Road, Brentwood**  
Price: **50.00 \$**

Used leather recliner with wine colored leather.  
The leather is in excellent condition with no stains, marks or tears.

I am selling this chair because it was too large for my small frame.

The reclining mechanism functions well & pulls back easily.  
(3) of the springs in the base of the chair have come unattached from the frame. This does not stop the chair from being comfortable to sit in; however, it does make the chair slightly crooked. I was not able to feel any impact when using the chair.

Comes from a pet free & smoke free home.

Asking **\$50** OBO.
