A beautiful Bassett desk and chair set made of solid wood construction by renowned American furniture maker, Bassett. 4 drawers with enough room to store all of your school or office materials. The drawers all pull smoothly and the handles and joints are all tight and sturdy. Structurally to set is in excellent condition. Cosmetically there are only a few normal rubs and wear associated with use.

Desk measurements: 42 inches long, 19 inches wide and 31 inches high
