Features

- Durable lid stiffeners and redesigned struts make opening/closing lid seamless and effortless, even with 1 hand
- QuickGrip™ mounting system comes pre-installed so you'll be on the road in seconds
- QuickGrip mounts to all types of crossbars and attaches with a single, 1-handed motion
- Patented, dual-side openings allow you to access gear from either side of the box
- User-friendly locking system includes an oversize key; a lock is located on each side of the box, and each 1 comes with 2 keys
- Redesigned locking system features an external lock-assist knob that is easy to use; built-in safety feature means the key can only be removed when the box is fully closed
- Also mounts to most factory-installed racks and after-market systems (see Fit List)
- Holds 10 - 12 pairs of skis
