Magnificent, elegant entertainment center! Holds 40 inch TV. Space for DVD player below TV. Lots of storage space for DVDs and Videos. Double doors hide TV within cabinet. Two lighted curio cabinets attach on either side to showcase collectibles. Pictures show 4 separate pieces, not put together (still in POD from recent move here). Trust me, it is beautiful! 80" tall, 90" wide and 25" deep. We downsized our house. Need quick sale! Bring all reasonable offers. Call Kathy at 518-872-7055.
