I have an Italian carpet by Society Collezione Tappeti. It's a beautiful carpet and has never been used. It has been carefully packed away for many years. The colors are rich and beautiful and there are no rips or stains.

Design: Rosette

Color: Amber II

Size: 5'9"x10'2" (175.26cmx309cm)

Made in: Italy

Material: 100% Cotton Chenille

I found another carpet by Society on 1stdibs.com. It is about 3'2"W x 3'3"L with a lighter pattern, and is listed in good condition. The price is \$2,134.00.

The carpet I have is brand new and is in perfect condition. I am flexible on the price but I think my price is already fair and I don't want to give it away. Thanks so much.
