If you want to camp in any National or State Park then this small yet roomy RV is for you! This super fun Chevy 4500 2017 Sunseeker 2250 SLE by Forest River Class C RV is only 25 ft long and provides glamorous camping in the most beautiful of parks. With the Cummins Onan 4000 Generator and 32 Gallon Fresh Water tank you can "glamp" just about anywhere.

We are the original owners of this well kept RV. It has provided us 25,800 miles of scenic happiness. We would be delighted to sell this great RV to someone who would enjoy it as much as we did.

Please view the pictures for more specifications and pictures of this wonderful RV.
