Rug Doctor Portable Spot Cleaner Complete Package

I paid tax and shipping so over \$200. I never opened it so it is untouched and all there. Comes with complete unit, 8oz trial size cleaner solution, fur removal brush, and spot finder black light.

Again, this is brand new, unopened and I moved so I never needed to use it after all, so you get it at a discount and you do not have to wait for it to be shipped to you.

Cash only, please. Thank you.
