Disney Sing It: Family Hits is a karaoke video game featuring 30 songs from Disney films and shows. Players sing along as music videos and movie footage, including scenes from The Jungle Book, The Little Mermaid, The Lion King, Toy Story, and Cars, play full-screen in the background. Up to eight may play at once, passing the microphone around to take turns. The game's "Encore" mode allows players to record their performances and play them back, just as they were sung or with special audio effects added to the voice track.

Includes a Wii compatible microphone.

The proceeds all go to support the ongoing ministry of Our Redeemer Lutheran Church in Wahoo, NE. If interested you can text me @ (260) 255-6016
