Konami's popular singing sim teams up with Fox's popular television series to offer 30 new songs to amateur vocalists and "Gleeks" alike in Karaoke Revolution: Glee. Gamers can join Rachel Berry, Finn Hudson, and Will Schuester, among other characters from the show, as they belt out 30 hit songs from the first season of the series. As in all Karaoke Revolution games, players attempt to match the pitch and lyrics of a variety of songs, earning scores and unlocking bonus content along the way. Multiplayer fans can join a friend for the "Duet" and "Co-op" modes, while the "Shooting Star" mode lets up to six vocalists compete.

Includes microphone

The proceeds all go to support the ongoing ministry of Our Redeemer Lutheran Church in Wahoo, NE. If interested you can text me @ (260) 255-6016
