Address: **Hutchinson**  
Price: **109.00 \$**

For more details you can see my Craig's List ad at <http://wichita.craigslist.org/grd/5039606017.html>

It's new and I could probably get you in contact with a local who could sell you a pound of Red Wigglers for starters.

The one I have is black.

As a licensed dealer I'm under contract to not sell it for less than \$109 - but I won't charge tax or shipping.
