Beautiful Statesville Chair Co. Library Chairs (2) \$250.00 each.

Purchased new for \$1,200.00 each from the Statesville Chair Co. They manufacture high quality, hand made (top to bottom) furniture since 1900. Only owned by one in smoke free home.

Check company History here: <http://statesvillechair.com/Details/details.htm#>

The chairs are solid domestic Mahogany wood and not Mahogany finish. Fabric is very high quality Linen Toile. Nail heads are top quality and are individually selected for each piece. These chairs would also be very easy to reupholster. They are gorgeous and would look great in a living room, office, as an occasional chair in a bedroom or if you're lucky to have a library, there too.

Price is firm. only contact my email if seriously interested. huminbrd@outlook.com
