https://www.ne-sarpy.countybuyselltrade.com/electronics/cell-phones/ooma-telo-internet-based-phone-system_springfield_86444

Address:

Villa Springs, Springfield

Price:

40.00 \$

We have used this system to provide internet phone service for the past several years. The only ongoing cost was \$5/month for taxes, billed through Ooma.com.

From the website:

Ooma is a full router capable of prioritizing voice data and directing traffic to ensure the most reliable phone service.

A USB port supports Wi-Fi and Bluetooth accessories and provides future expansion opportunities.

Built in speaker provides the ability to screen calls prior to answering.

A keypad provides one-touch access to voicemail.

DECT radio supports up to 4 wireless handsets. Ooma.com Retails for over \$100
