Address:

Cedarburg

Price:

Free

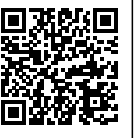

Lovely Wurlitzer built in 1920's or 30's.

Have been told that the pins are in good shape and would hold a tune. It is a little less than 5 ft square, natural wood finish, not painted.

Would donate or sell for minimal cost.

You must pick up.

Sorry about the picture - can't figure out how to get it right side up.
