Address: **Concord/Manchester**
Price: **300.00 \$**

Box is a bit dirty, but doll is pristine. Seen elsewhere on the internet for \$400-\$500 in this condition.

Beautiful bead-work, real feathers. No cartoonish bobble head like the newer Barbie/Bratz. A lovely celebration of Native American spirit from Matel.

This was part of my mothers collection, she passed away nearly 2 years ago.
