Sire: Leos Blue Tuxedo
Dam: Act Bar One
Registered Name: One Blue Izzy

Gorgeous two year old with a good foundation. Izzy is home raised, loads, ties, leads, learning to loung, easy to catch, and trim her feet. Has a one inch scar on her left front fetlock. Not lame at all. She cut her leg last fall. I've had it x-rayed and ultrasound examination. Everything is fine. No health issues. UTD on vaccinations and deworming. She's a very smart filly and learns things quickly! She should mature around 15 hands and will make an excellent performance horse and when she's done with that she can raise beautiful foals. Only selling because I just had my first baby and would like this filly to go to a home that will love and utilize her the way she deserves. Open to offers!!! Thank you for your interest. Needs her forever home, make an offer!
