https://ok-tulsa.countybuyselltrade.com/electronics/computers/laptops/samsung-ativ-book-4_chardon_9978

Address: **Chardon**
Price: **275.00 \$**

Bought this for college two years ago. Has great memory space and good camera and sound. Needs to be updated and fixed a little because it has been working slow. Very sturdy.

Reason for selling: not tech savvy enough to keep upgrading and I'd rather not keep paying somebody else to do that
